

Residential Moves

F & M Bennett & Son has extensive experience in providing a high-class removal service, whether you are moving locally, nationally or to the continent, we have a range of vehicles to suit your needs.

Our estimator will call at a time convenient to you to assess your requirements and provide a free, no obligation quotation. Packing materials will be delivered once your move is confirmed. We also offer a first-class packing service. [Click here](#) for further details.

We offer full liability cover up to £100K. Our specialist vehicles are fitted with air-ride suspension to ensure a smooth ride and guarantee safe arrival of your possessions, whether you move locally or long-distance.

Our vehicles are fully equipped with blankets, ties, hanging garment rails, sofa covers, plasma TV covers, mattress covers etc. This protection is applied prior to removal from your premises thus ensuring that your goods reach their destination in perfect condition.

On arrival at your premises we will ensure that carpets, banisters and doorways are protected. Each vehicle also carries a full tool kit for any necessary dismantling and re-assembling.

F & M Bennett & Son know that moving can be a stressful time, but we are committed to providing a high class service to make your move as stress-free as possible.
